## THE FISHPOOL CHEESE BOARD £14

### Collier's Welsh Cheddar

This cheese is made with 100% Welsh milk and possesses  
a distinctive, long, powerful and slightly sweet taste.

### Burt's Blue

Made using pasteurised milk inoculated with *Penicillium* (blue mould), each cheese is hand-pierced during the ripening process to encourage and allow the growth of mild blue veins. These blotches and punctures of blue throughout give the cheese its character and flavour.

### Perl Wen

A traditional farmhouse Caerphilly recipe is used at the inception of Perl Wen, resulting in a soft centre and a fresh citrus flavour with a hint of sea salt.

*Served with truffle honey, quince and Peter's Yard crackers*
